SENATOR SCHMIT: That is always a possibility Senator Marsh.

SENATOR MARSH: Thank you very much.

PRESIDENT: Senator Mills.

SENATOR MILLS: Mr. President, I have a question of Senator Schmit. Senator Schmit, when you refer to a veterans home would you tell this body, and me, what veterans are eligible if this were to go into affect and be completed? All veterans Senator Schmit?

SENATOR SCHMIT: All veterans, Senator, who have need of such type of facility in their old age, in their retirement years.

SENATOR MILLS: Senator Schmit, is this like the...like some of the veteran homes, another veteran home here in Nebraska? The reason that I am asking is that I know that some of them only allow veterans that are or served as actually shown in our statutes as a veteran of a certain time element. This precludes many veterans from being able to use these facilities.

SENATOR SCHMIT: Of course we....if there is something that precludes a worthwhile veteran, it is in the prerogative of this legislature to change that so that any veteran could be served.

SENATOR MILLS: Thank you Senator Schmit.

PRESIDENT: Senator Burbach.

SENATOR BURBACH: Mr. President, members of the Legislature I just heard Senator Jack Mills say something about a time element. I would like to call for the question.

PRESIDENT: Are there five seconds? I see five seconds. The question is shall debate now cease, wait there are no lights on anyway. So, we can cancel this. Senator DeCamp would you close. No closing? The question is the Schmit amendment because that is what we are considering. Record your vote. Please vote. Have you voted? Record. Senator DeCamp.

SENATOR DE CAMP: Mr. President, Call the House, and a roll call vote, we voted to bring it back so lets go ahead and...

PRESIDENT: Senator you have got to stop giving speeches when you ask to put it under Call. The question is shall the House go under Call. Record your vote. Record.

CLERK: 20 ayes, 5 nays to go under Call.

PRESIDENT: The House is under Call. Will you kindly go back to your desks and record your presence please.

CLERK: Mr. President, Senators Clark, Dick Lewis and Kennedy went to the Governor's office.
